

The Mythical Lawyer: The Quick Guide To The Attorney Job Market For Aspiring Attorneys And Students Of The Law

Are you, or a loved one, considering law school? Are you enrolled in law school but wondering about your career choice? Are you a law school graduate who is encountering great difficulty finding a job and wonders why? What if someone told you that under half of all attorneys have jobs? Pursuing a legal career can be an expensive endeavor. Such a momentous decision requires all the information available. Many people, however, do not know the facts about the legal job market because of the cover of professional introversion which surrounds the legal profession. The Mythical Lawyer will educate you on what you need to know about the legal market, so you can make the right decision and properly prepare yourself for a career in law.
