

The Lawyers Guide to Job Security: How to Keep Your Job--and Make the Most of It--in Good Times and Bad

The competitive world of law takes dog-eat-dog to a new level. Its in this environment that no lawyer can afford to be without The Lawyers Guide to Job Security. Richard Hermann, a legal career counselor with 25 years of experience, shows attorneys the practical, common-sense techniques they can use to navigate their careers up the organizational ladder and find both success and job security waiting for them at the top. Herman guides the reader step-by-step through the process and helps one to start out on the right foot; to establish oneself within the firm; to understand the dos and donts of the legal workplace; and how to successfully upgrade ones managerial prowess. He also provides the reader with a professional improvement program and a personal job-coaching program designed for achieving ones desired goals. The Lawyers Guide to Job Security gives lawyers the timetested tools they need to take control of their work and careers. With this invaluable guide, lawyers will never be victims in their own professional arena.
