

Electronic Government: 10th International Conference, EGOV 2011, Delft, The Netherlands, August 29 -- September 1, 2011, Proceedings (Lecture Notes in Computer Science)

This book constitutes the refereed proceedings of the 10th International Conference, EGOV 2011, held in Delft, The Netherlands, in August/September 2011. The 38 revised full papers presented were carefully reviewed and selected from 84 submissions. The papers are organized in topical sections on foundations, acceptance and diffusion, governance, openness and institutions, architecture, security and interoperability, transformation, values and change.
