

Protecting, Controlling and Monetizing Assets in Dispute: A Practical Guide to Receivership for Attorneys in Texas

If you're a lawyer who has ever had the unenviable task of having to say you're sorry to a client trying to recover a debt, because there's nothing left to collect against, this book could help you avoid that burden in the future. In fact, this book is intended to aid any lawyer trying to protect a client's interest in an asset or a company that is in the custody and control of someone who cannot be trusted to properly manage and account for it.
