

Perfect Game: New York Kings, Book 3

For New York Kings first baseman Scott Harper, scoring women is easy. Hes ready to get naked anytime, anywhere. But when a hacker leaks his nude selfies, hes unprepared for the scrutiny his full-frontals receive. Carrie McKenzie has a love-hate relationship with her body. No longer the fat chick guys can ignore, she wins the job as the Kings clubhouse reporter. With her svelte new figure, she nabs an exclusive interview with Scott to get his take on the scandal. However, the two are already on a first-name basis after Scott came on to her in the hotel bar, and she woke up in his arms. The problem is that Scott doesnt do relationships and Carrie doesnt date jocks, yet the way they burn up the sheets is deserving of more than just a one-night stand. Scott shows Carrie that he has a sweet, caring side beneath all the swagger. But can she really trust her heart to the biggest player in the game?
