

Gabriels Creek

Ralphie the border collie seemed to the operators of Gabriels Creek Golf Course to have come out of nowhere to become their course mascot. This 18-hole track wasn't listed anywhere when Chris Collins looked for someplace to play the last round of golf of his life. When old, worn road signs draw him to this uncharted arena, it seems perhaps destiny has brought them together. With Ralphie as his guide through the round, Collins experiences the magic of Gabriels Creek. Along the way, he meets friends and foes of his past at memorable holes across two continents. Is it time travel or just the enchantment of Gabriels Creek? Through an emotional day, his inspirational escapades provide the reminder that we should all treat each day as a gift. The 18th hole is more than the end of the round, as Collins finds that Gabriels Creek Golf Course exists in neither the earthly world nor the next, but somewhere in between.
