

# Labour Law in the Post-Industrial Era: Essays in Honour of Hugo Sinzheimer (Studies in Modern Law and Policy)

Five eminent labour lawyers from England, France, Germany and the Netherlands present their views on labour law at a conference held to commemorate Hugo Sinzheimer the famous labour lawyer. The speakers reflect on the consequences of the current economic, social and cultural transformations for the future role of labour law. This book is based on the proceedings of the conference and on the lectures given.
