

## The Blue Edge of Midnight (The Max Freeman Mysteries)

The Edgar Awardwinning debut of the bestselling Max Freeman mystery series: A tormented ex-cops mission to solve a grisly murder and earn redemption for his dark past. After a shootout during a convenience store holdup led to the accidental death of a twelve-year-old, Max Freeman left behind the Philadelphia police department for a life in exile in the Florida Everglades. Since then, he has lived in seclusion, haunted by guilt, with the humid night and the nocturnal predators of the swamp as his only company. But everything changes when Freeman discovers a young girl's body floating in the muddy waters and becomes the prime suspect for her murder. To prove his innocence, Freeman must uncover the real murderer and confront his own tortured soul before it's too late. This ebook contains an illustrated biography of the author featuring never-before-seen photos.
