

Lamour chez Alphonse Daudet: Essai (French Edition)

Dans cet essai du debut de sa carriere, Antoine Albalat etudie la notion damour dans les romans dAlphonse Daudet. Albalat fait le lien entre l'uvre de Daudet et les romans des autres auteurs eminents du realisme : Faubert, Zola et les de Goncourt, entre autres. Il en deduit meme une loi de lamour, que vous trouverez dans le bouquin. (Je ne peux quand meme pas tout vous dire !)
