

A Batter of Life and Death: A Bakeshop Mystery

Welcome to Torte-a small-town family bakeshop where the coffee is hot, the muffins are fresh, and the cakes are definitely to die for...Its autumn in Ashland, Oregon-tis the season for a spiced hot apple cider with a serving (or two) of Tortes famous peach cobbler. Its also the perfect time for Jules Capshaw to promote her familys beloved bake shop by competing in The Pastry Channels reality show, Take the Cake. The prize is \$25,000. But as Jules quickly learns, some people would kill for that kind of dough. Literally.Then, just as Jules dusts off her Bavarian Chocolate Cake recipe and cinches up her apron, the corpse of a fellow contestant is discovered-death by buttercream. What began as a fun, tasteful televised adventure has morphed into something of a true-crime detective show for Jules and everybody else on set. Who could have killed Chef Marco, and why? Can Jules sift out the killer before someone else gets burned?
