

A Career Handbook for TV, Radio, Film, Video and Interactive Media (Professional Media Practice)

Specialists from across the fast-changing world of TV, Radio, Film, Video and Interactive Media have contributed behind-the-scenes advice to provide the definitive guide to a career in these areas. Updated throughout, the revised second edition of this unique guide answers a multitude of questions, including: ? How do I choose a course that will help me? ? What are the jobs? ? How do I get useful work experience? ? Whats it like to be a freelance? ? What are the areas of opportunity? ? How do you find out about jobs that arent advertised? ? Which qualifications or training will help me build my career?
