

A Handbook of Bankruptcy Law: Embodying the Full Text of the Act of Congress of 1898, and Annotated with References to Pertinent Decisions Under Former Statutes (Paperback) - Common

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continu...
