

A Doctor to Heal Her Heart

Love when you least expect it...Sam Lockyear is certainly not the man Dr. Euan Scott thought hed hired for his rehab clinic. Far from it--shes a woman...and an incredibly alluring one! Euan is quickly wowed by Sam and her determination to help the clinics patients. But Sam is all work and no play. Her emotional scars leave no room in her heart for a relationship. Euan, however, isnt a man who gives up easily--and as his feelings for Sam intensify, hes definitely not giving up on her!
