

A Game of Inches: A Jack Patterson Thriller

Billy Hoppers life is pretty damn good. Hes a wide receiver for the Los Angeles Lobos and hes just been named Rookie of the Year. But hes about to lose it all. On a frigid March morning at the Mayflower Hotel in Washington, D.C., Billy wakes up to find that hes been sleeping with a dead girl. And now hes got her blood on his hands?literally. But hes also got Jack Patterson: a D.C. lawyer whos determined to get to the bottom of the murder and prove Billys innocence. Theres only one problem. Theyre at war with a powerful, sinister man, and the people closest to Jack are in the line of fire. Can Jack and his team solve this case before his family pays the ultimate price? This latest Jack Patterson thriller exposes the underbelly of the NFL and the role of big money in shady D.C. politics. Believe it or not, murder is just the tip of the iceberg.
