

The Time For Justice

Anthony Curto, acclaimed New York lawyer who has represented Harry Chapin, Paula Abdul, Alexandr Solzhenitsyn, Freeman McNeil, and has focused on resolving issues in the quickest, most efficient way, has determined that the enemy of our judicial system lies with timeexcessive timecaused by numbing administrative procedures at every level that result in endless delays, and no justice for all. This powerful book presents masterful ways to fix the system and uses compelling cases that illustrate how time delays can topple justice. A must-read for anyone interested in insuring the swift and fair delivery of justicefor all.
