Meditation for the brain -- allow coloring to soothe you. Glorious Sunsets to Color, grayscale photographs coloring book created from beautiful photographs of glorious sunsets in pinks, oranges, corals, blues, grays and yellows! Grayscale coloring books for experienced colorists or those looking for a new challenge. Are you one of many who have rediscovered how relaxing it is to color in adult coloring books? If you've ever wanted to visit the Catskill Mountains of New York, now is your opportunity to experience their beauty as the sun goes down. As a Bonus we've included 25 full color photographs to guide you as you color! Check out my video on my Amazon author and Grace Brannigan Author on youtube to see ALL my coloring book showing all the photographs inside. We have included 25 original grayscale shaded photographs of sunsets in the Catskill Mountains. These are original photographs taken by the author and grayscale technique is applied so you can do your coloring magic. The full color photographs themselves will guide you as you color. Beginner colorists can easily create beautiful art following the shading in the images, while more advanced colorists can add depth, shading and detail. Whatever your level of experience, the end result will be your own unique piece of art. Each picture is printed on one side only so you don't have to worry about bleed through to other coloring pages. Use your favorite crayons, colored pencils, markers, glitter and gel pens and frame your art when it's colored to your satisfaction. We have included some of the most eye catching Catskill Mountains and Valley sunsets! De-stress, relax, enjoy and color to your hearts content. 25 photographs from the land of the legendary Rip Van Winkle. A wonderful gift for yourself or that someone special.
