

# Yearbook of European Administrative History, Vol. 8: Administration and Administrative Law in France and England (18th/19th c.)

The Yearbook of European Administrative History is the only interdisciplinary and comparative scientific periodical of its type, dealing mainly with European administration from the 17th to 20th century. Each volume is dedicated to a principal topic of interest. Additionally, it offers criticisms and information on the status of research in individual European countries. The contributions appear in German, French, Italian, and English language, and contain an English summary.
