

Aloha, Lady Blue (Stryker McBride)

Charley Memminger combines a cast of quirky and sometimes dangerous island characters with a mystery that you'll never forget. This riveting story introduces Stryker McBride, who lives on a three hundred thousand dollar houseboat at a small yacht club. The former crime reporter has been keeping a low profile since being shot by a cop while investigating police corruption. But when Stryker receives a phone call from a beautiful former high school classmate, he's drawn back into society to look into the death of the woman's grandfather. Soon, Stryker's investigation leads him to a deadly secret buried deep in the heart of Hawaii. Vivid and exhilarating, you can almost hear the pounding of the surf and catch the scent of plumeria.
