

Thoughtfully updated by its authors, the 2009 edition combines in one volume the most useful statutes for courses in contracts, commercial law, secured transactions, commercial paper, sales, bankruptcy, debtor-creditor law, and corporate reorganizations. An informed compilation of the major statutes affecting commercial and debtor-creditor law, the text: Allows fast, easy, and informed research Covers provisions, regulations, statutes, and codes Uses as its principal text, the standard version of the Uniform Commercial Code, reflecting the law as currently enacted in most states Includes proposed revisions in an appendix Also included are selected federal statutes and regulations, the bankruptcy code and related provisions, and selected state debtor creditor laws such as the special rules in Delaware governing true sales that are especially important in securitization transactions.
