

## An East End Christmas

Carla Scofield has looked after her family since she was a teenager, but its never been a bother because there isnt anything she wouldnt do for those closest to her. Warm, friendly, and with the ability to make everyone around her laugh, she carries her burden proudly. As the years roll past, Carla sees life around her change dramatically. Wartime brings new challenges and a new job for Carla in a sewing factory, and she shines. It also brings with it love, and Carla has a chance at real happiness - but not everyone is rooting for her. With Christmas ahead of her and her sights set firmly on love and the future, will she be too distracted to sense the danger before its too late? An East End Christmas is an emotional, compelling and pause-resisting story that will be perfect for fans of Katie Flynn, Annie Groves and Carol Rivers.
