

ICSA Study Text in Applied Business Law (CSQS)

This study text provides a general framework of the legal principles underpinning business law, as appropriate to the role of the Chartered Secretary. The study text guides the reader through the basic legal principles and how they should be applied within a commercial framework. The content covers a wide range of legal material in a way that is both coherent and accessible. As well as thorough subject coverage this approved study text includes specialised areas such as Health and Safety Law, Intellectual Property, Employment Law, Bankruptcy and Meetings, along with chapters on Learning Methods and Examination Techniques. It will be of particular use to those from a non-legal background who wish to gain an understanding of the practical consequences of business law.
