Find the cards you need and deal them where you want. Through his book *Sleight of Deck*, [Hongyu Chen] ignites a paradigm shift in the mathematics of card manipulation. It is a must read, an undiscovered work of true foresight... --Gary Le, Thiel Fellow and Card Enthusiast. Ever wanted to deal yourself Aces at the poker table? *Sleight of Deck* makes it look easy. *Sleight of Deck* uncovers some of the best kept secrets of the card sharp. Many of the moves in this book were independently developed are not found elsewhere in the literature, such as: Stacking any combination of hole cards, flops, turns, and rivers in Texas Holdem Poker with just a single overhand shuffle and three riffle shuffles. Pulling any named card out of a preshuffled deck with at most two riffle shuffles. Dealing with incoming and leaving players after the deck is stacked. And many more. Prepare for an exhilarating ride through the world of professional gambling, sleight-of-hand trickery, and expert card manipulation. Welcome to *Sleight of Deck*.
