

Arturo El Rey (Excalibur Regained Book 1)

Art Reyes, a young Marine, suffers eerie visions of dying with a lance in his chest as none other than King Arthur. Had it only been a legend Arthur's promise to return when the world needs him? Then bio-terrorists unleash a plague that ravages the population and crumbles civilization. With marauding gangs vying for power, Art is launched into a leadership position as the one man with the charisma to unify citizens to fight back. Miles away, a girl named Shanna struggles to survive the chaos of the new Dark Age. But fate inexorably draws the two together, the reincarnated King Arthur and Lady Guinevere. Their task: to restore order, rediscover their lost love and this time to get it right.
