

# Career Insights: On Graduating Law School: Leading Lawyers on Achieving a Personally & Professionally Rewarding Career

Career Insights are designed to give you a special look inside the minds of the leading executives of the world, and assist you in getting an insiders view on what it takes to succeed in the workplace. This book is the best way for professionals or soon to be professionals to learn to think, analyze, and respond to situations they will confront in the workplace. The purpose of this book is not to devise the quickest way to land just any job. Rather, we try to guide you towards assuming the mindset of the industrys most elite and successful executives, so you can employ these skills at any level. The authors in this book know what it takes to succeed; now youll know their secrets too. Use this information to get an edge, land the job of your dreams, and have a successful career.
