

Drafting and Negotiating Commercial Contracts: Third Edition

This book provides expert and hands-on practical advice for UK commercial lawyers and contract managers on drafting, negotiating, and interpreting commercial agreements. Starting with the structure and format of contracts, this user-friendly guide covers good and bad practice in drafting, the meaning and use of commonly-used words and phrases, formalities for the execution of contracts, and the interpretation of contracts. This third edition is fully updated to include all relevant changes in UK case law and legislation.
