

## Sophomores: The Script Book, Season One: Eight original scripts from the college comedy series

Sophomores is a fresh half-hour comedy series about the dysfunctional sides of college life. Created and co-written by Yonas Michael, the satire explores the journeys of five very different but universally ridiculous sophomores. After a rocky freshman year, transfer student Margeaux Peters thought she'd seen it all, up until her first day at Bardell University. That is, until she meets the rest of the Bardell sophomore class: Clive Jenkins, a former high school jock and current campus joke, Lizabeth Martin, a designer-wearing social climber who can't seem to get along with anyone, Luke Jameson, a passive third-time sophomore with dreams of being a rock star, and the infamous Kyla Cane, the roommate from hell who'd rather study a homicide than a textbook. Between sorority rivalries, disastrous group projects, awkward first dates, and a shocking secret from freshman year, Margeaux quickly realizes that she hasn't quite seen it all... and may not want to. The script book includes all eight original scripts in the first season, written by Yonas Michael and Sharon Ezra, as well as the original pilot script.
