

## Best Served Cold: The Unofficial Companion to Revenge

A critical and commercial hit, *Revenge* has a rabid and rapidly growing fan base. It is consistently the #1 show in its timeslot and it is ABC's biggest primetime hit since *Lost*, the first series in four years to match that show's success in the coveted 18 - 49 demographic. A fast-paced and complicated character-driven show with many plot twists and unanswered questions, fans will welcome insight and analysis into Emily Thorne's master plan in this intelligent but playful companion to the series. Explorations of themes, characters, the show's soapy and literary inspirations, and real-world events make this the must-have book for everyone who is watching *Revenge*.
