In the first of a brand-new series set in Victorian England, a young woman returns home from India after the death of her family to discover her identity and inheritance are challenged by the man who holds her future in his hands. Rebecca Ravenshaw, daughter of missionaries, spent most of her life in India. Following the death of her family in the Indian Mutiny, Rebecca returns to claim her family estate in Hampshire, England. Upon her return people are surprised to see her...and highly suspicious. Less than a year earlier, an imposter had arrived with an Indian servant and assumed not only Rebeccas name but her home and incomes.
