

Blueberry Muffin Murder (Hannah Swensen)

The third mouth-watering novel in the Hannah Swensen crime series. Packed full of delicious recipes and perfect for fans of M. C. Beaton and Leslie Meier. Its the annual Winter Carnival in Lake Eden, Minnesota, and Hannah Swensen is set to cook up a storm at her popular bakery, The Cookie Jar. So she is less than impressed when the honour of creating the official Winter Carnival cake goes to famous lifestyle guru Connie Mac. When Americas Cooking Sweetheart rolls into town, Hannah discovers Connie is bossy, bad-tempered, and downright domineering. Things finally boil over when Hannah arrives at The Cookie Jar to find the Winter Carnival cake burnt to a crisp - with Connie Mac lying dead in her pantry, struck down while eating of Hannahs famous blueberry muffins. Can Minnesotas favourite baking sleuth find the person responsible before others meet the same sticky end?
