

Carrier 10: Arsenal

America is held hostage in this timely and powerful new novel written by an experienced naval officer. A group of armed insurgents have taken control of Cuba. They've shot down an American civilian aircraft, and are holding a U.S. Marine pilot hostage. Now, Admiral Tombstone Magruder is forced to lead his Carrier Battle Group into a reckless counterattack planned by overzealous politicians. This time, he's trapped - between the violent excesses of Cuban revolutionaries - and a U.S. power play that's spun wildly out of control. Stimulating, fast-paced...brimming with action and high drama. (Joe Weber, best-selling author of HONORABLE ENEMIES)
