

## Land Sharks: #HonoluluLaw, #Triathletes & a #Tvstar (Tri-Angles)

Young attorney, Zana West, is assigned the perfect case for a triathlete--a lawsuit filed by a man who claims he was paralyzed during the Honolulu Olympic triathlon trials. As an added bonus, Zanas television crush, Jerry Hirano, the star of Fighting in Paradise by night and attorney-by-day, represents another defendant in the case. Jerry insists upon date-like evenings with her to discuss the investigation. Clues mount up, but Jordans attorney, Rip Mansfield, a shark in an attorneys suit, takes every opportunity to harass Zana. To make matters worse, shes always one mistake away from being fired and shes stuck working with her bosss mini-me, Lucas Rossi, who would rather play video games than help with pre-trial discovery. Will Zana be able to figure out the truth before the case goes to trial?
