

Business in Action, Global Edition

For introductory courses in business. A Concise and Comprehensive Introduction to Business Fully comprehensive, Business in Action remains significantly shorter than other introductory business textbooks without omitting any important principles and concepts. Featuring a highly organized, objective-driven structure, this Eighth Edition builds on the text's tradition of incorporating relevant, contemporary examples from the business world with five brand-new vignettes and case studies bookending its chapters. This updated edition also includes new and revised questions, visuals, and chapters covering relevant business trends and topics. The ideal textbook for introductory courses in business, Business in Action covers the full spectrum of contemporary business topics without filler or fluff. MyBizLab not included. Students, if MyBizLab is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. MyBizLab should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information. MyBizLab is an online homework, tutorial, and assessment product designed to personalize learning and improve results. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts.
