

Business Law with UCC Applications Student Edition

The 12th edition of Business Law with UCC applications presents an up-to-date teaching-learning system that is written in an easy-to-understand style and provides comprehensive information about all facets of business law. Material is presented in nine sections, which include relevant case studies featuring excerpts from the courts opinion. Content has been updated to reflect the many recent changes in the legal field and color photos throughout the text help students relate the material to their own lives.
