## My So-Called Career In Hollywood -- how I got Lost In Space, arrested on Gilligans Island, kicked out of Mayberry, roughed up by Sylvester Stallone, ... the Land Of The Giants - just for starters!

My agent and I snuck onto the studio lot, then headed over to the tiny man-made lagoon where the Gilligans Island beach scenes were filmed, hoping to run into someone whod read my script. As we wandered through the maze of soundstages, Ray pulled out a fat cigar and lit it, trying desperately not to inhale because he didnt smoke. Whats that for? I asked. Its a prop, he gasped in my direction. It makes me look like a big deal. Ray then blew a thick cloud of smoke, gagging on his own exhaust. He was starting to turn green.

Im not sure this is such a good idea, I confessed. What if someone finds out were not supposed to here? Ray chuckled. Dont you have faith in me, kid? I didnt. Sure I do, I lied. Ray suddenly stopped and leaned over to throw up. After a few heaves, he thrust his cigar at me. Here -- take it -- damn things making me sick! Hold it for me until we see someone important!

MY SO-CALLED CAREER IN HOLLYWOOD may just be the most brutally honest book about Hollywood ever written. E. Klass delivers a scathing, unflinching behind-the-scenes look at show business that is both hysterically funny and tragically sad. This book is mandatory reading for anyone who thinks Hollywood is all glitz and glamour!
