

Health Law, Second Edition (Practitioner Treatise) (Practitioners Treatise Series)

Volume Two of Two Volume Set. This desk reference explores and interprets the important details of every major issue in health care today. You'll find in-depth discussion of tax, corporate, and organizational issues, as well as governmental initiatives in the areas of cost control, access to health care, anti-competitive activities, fraud, and abuse. The legal and ethical issues involving highly sensitive issues, such as death, reproductive rights, and medical research, are also covered.
