

## County Court Litigation

More and more cases are now starting at or being transferred to the county court (especially personal injury cases) further to the High Court and County Courts Jurisdiction Order 1991. Designed for High Court practitioners who are unfamiliar with the county court system, this text describes and explains all aspects of county court procedure and practice, from the institution of proceedings through to enforcement of judgments and appeals. Each chapter contains checklists to ease information access, together with a selection of precedents, forms, legislation and practice directions. Chapters on ancillary matters, such as legal aid, costs and court funds, are included.
