

Cases and Materials on Trusts

This new edition has been considerably revised to take account of recent major statutory and case law developments. The Contracts (Rights of Third Parties) Act 1999 introduced a significant improvement in the rights of third parties to enforce contracts. The Trustee Delegation Act 1999 and the Trustee Act 2000 have had a profound effect in updating the law concerning trustees duties and powers. Important new cases covered include: *Foskett v Mckeown* (tracing); *Pragon Finance Ltd v Thakerar* (constructive trusts); *Air Jamaica v Charlton* (resulting trusts); *Choithram International v Pagarani* (constitution of trusts); *Twinsectra Ltd v Yardley* (accessory liability); *Wight v Olswang* (exclusion clauses); *Southwood v AG* (charities); *Schmidt v Rosewood Trust* (disclosure of trust documents); *Pennington v Waine* (gifts of shares); *Le Foe v Le Foe* (indirect contributions to family assets); *Gwembe Valley Development Co Ltd v Koshy* (limitation periods); *Duggan v Governor of Full Sutton Prison* (intention to create a trust); *OT Computers Ltd v First National Tricity Finance Ltd* (certainty of objects), and many more. Each chapter includes an exposition of the fundamental principles of trusts law in a readable and intelligible form, supplemented by extracts from judgments of leading cases. References to other relevant cases, statutes, articles and official reports are also incorporated where appropriate.
