

## Torts: Cases and Materials

In little more than 900 pages, you will find key cases, lucid note material, and a highly effective pedagogy in this skillfully structured casebook for Torts. Authored by the esteemed educators and co-reporters for the Restatement (Third) of Torts, the Second Edition features:

- carefully selected, eminently teachable cases
- clear and concise notes
- skillful case editing that preserves the language of the law without overwhelming students in details
- provocative questions that highlight legal issues raised in the case

Authors

Dialogues, a uniquely innovative pedagogical feature; engaging exchanges between the authors that raise salient topical points and model persuasive legal reasoning; numerous short hypotheticals throughout the book; a comprehensive Teacher's Manual that includes:

- answers to the questions raised in the text
- informative references to important secondary sources
- commentary on the Authors' Dialogues
- guidance for using the Authors Dialogues in class or as assigned reading

With new hypotheticals in the Second Edition, Torts: Cases and Materials has been updated to reflect new developments in the law, including:

- a full integration of the Restatement (Third) of Torts
- new

Supreme Court cases on punitive damages

- This highly engaging casebook offers complete support for your teaching and is ideally suited to your one-semester, four-credit Torts course.
