

## Cases and Materials on Modern Antitrust Law and Its Origins, 3rd (American Casebook Series)

This newly updated casebook provides an historical framework showing how modern antitrust law has developed across time, giving students a basis for projecting the direction that it is moving and what older arguments still have applicability. This edition includes new cases such as Trinko, Empagran and the continuing story of Microsoft. The text also gives more treatment to merger practice and a practitioners need to consider the international implications of a clients conduct .
