

Coconut Cowboy LP: A Novel

Channeling his inner Easy Rider, Serge Storms saddles up for his most epic, lethal, and hilarious road trip ever as he revvs off to find the lost American Dream . . . starting in the Florida Panhandle. Obsessed with the iconic Sixties classic Easy Rider, encyclopedic Floridaphile, lovable serial killer, and movie buff extraordinaire Serge A. Storms devises his wildest plan yet: finish the journey begun by his freewheeling heroes, Captain America and Billy, tragically cut short by some shotgun-wielding rednecks. Setting a course for the Florida panhandle, Captain Sergewith Coleman literally riding shotgun mounts his classic motorcycle and hits the highway in search of the real America: the apple-pie-eating, freedom-swilling moms and pops of Main Street USA. But the America he finds in the rural burbs dotting the neck of the peninsula is a little bit different . . . and a whole lot weirder than anything Peter Fonda and Dennis Hopper encountered. In a state where criminal politicians are more common than gators, Serge and Coleman discover one particular speed-trap locale so aggressively inept at corruption that investigators are baffled where to start. Expect nothing less than madness, mayhem, ingenious homicides, and mind-altering pharmaceuticals when Serge and Colemans path intersects with the Sunshine States hyper-dysfunctional rusticity. Wheres Jack Nicholson when you need him?
