

Competition Law in China: Laws, Regulations, and Cases

This work is the only bilingual (Chinese/English) compilation of all legal texts applicable to the area of competition law in China. It includes the Anti-Monopoly Law of the Peoples Republic of China (AML) as well as all other laws that have relevant provisions. It also incorporates the regulations issued by the State Council, the Ministry of Commerce (MOFCOM) and the National Development and Reform Commission (NRDC); judicial interpretations of the Supreme PeoplesCourt; as well as the 15 decisions MOFCOM has published so far.
