

## Constructing Green Lantern: From Page to Screen

From the creative group at DC Entertainment comes *The Green Lantern*, certain to be the hit of Summer 2011. *The Art of The Green Lantern* is the ultimate companion book to the movie, showcasing production ephemera including: storyboard art, character sketches, concept art, and still photos from the movies sets. *The Green Lantern* will also contain observations and insights of the film by producers, art director, and various other film crew.
