

California Construction Contract Writer

If you're a California contractor, you need to be good at drafting California construction contracts. Don't let others stack the deck against you. Control the contract and you control the bottom line the profit built into every job. When you deliver a bid, deliver a perfectly-crafted, custom contract ready for signature. Best of all, you'll be confident the contract protects your interest and includes all disclosures required by California and federal law. No legal background required. Just answer interview questions to prepare contracts that fit your jobs precisely anything from a small home repair project to a shopping center or industrial building. Then click to spawn subcontracts that mirror the prime contract exactly. No more relying on flow-down to subcontractors. If you get stuck, click Get help from an attorney. You'll have an answer in 24 hours, usually less. No charge. No limit. This book includes everything in the download offered by Craftsman plus: * The California Construction Contract Writer disc. * Instructions for installing and using California CCW. * Sixteen printed forms ready to copy and use on your jobs. * A summary of important features in each of the 16 forms. * The 16 sample forms ready to install to your computer. Friends and associates will want to borrow this book to practice drafting contracts of their own. But keep the book handy when activating the software. FREE Updates are provided for the first year, so that changes in the law will be built into every contract you draft - all year long.
