

Crime Fiction (The New Critical Idiom)

Crime Fiction provides a lively introduction to what is both a wide-ranging and hugely popular literary genre. Using examples from a variety of novels, short stories, films and television series, John Scaggs presents a concise history of crime fiction - from biblical narratives to James Ellroy - broadening the genre to include revenge tragedy and the gothic novel explores the key sub-genres of crime fiction, such as Rational Criminal Investigation, The Hard-Boiled Mode, The Police Procedural and Historical Crime Fiction locates texts and their recurring themes and motifs in a wider social and historical context outlines the various critical concepts that are central to the study of crime fiction, including gender, narrative theory and film theory considers contemporary television series like C.S.I.: Crime Scene Investigation alongside the classic whodunnits of Agatha Christie. Accessible and clear, this comprehensive overview is the essential guide for all those studying crime fiction and concludes with a look at future directions for the genre in the twentieth-first century.
