

Crime of Passion

Attorney Marcus Douglas returns when a prominent Atlanta businessman, Roland Ferguson is accused of brutally murdering his wife and her lover with a golf club. When he is acquitted of the charges, the victims sister, model Carmen Taylor demands justice. If Roland didnt kill her, fine. Somebody did! What bothers me is that nobody is interested in finding out who did. When she is unable to convince the police to re-open the case, Carmen turns to Marcus for help. Together they begin an investigation into her sisters dark sexual past and in the process, Marcus and Carmen fall in love. The investigation leads the pair into a world of drugs, prostitution, money laundering and murder that the police and the district Attorney seem unwilling to pursue.
