

The Crossword Murder

Solving puzzles can be murder when a PI and a crossword editor join forces to catch a killer in the first novel of Nero Blancs fiendishly clever crossword mystery series. Playboy Thompson C. Briephss has just been found strangled in his bed. The police believe the Newcastle Herald crossword editor, a scion of a blue-blooded New England family, died from kinky sex gone wrong. But cop-turned-private investigator Rosco Polycrates thinks there's a six-letter word for what happened. Enlisting the help of Annabelle Graham, the crossword editor for a rival paper, Rosco unearths a crazy quilt of suspects who had it in for the victim - and one of them was blackmailing him. Belle is certain the answers lie in Briephss's twisty puzzlers. Now she and Rosco will have to employ some dazzling wordplay of their own to stop a cunning killer from crossing paths with another victim. Listeners will delight in solving the crime, along with six crossword puzzles, which can be downloaded as PDFs, with answers in the back of the book. *The Crossword Murder* is a book to be savored by mystery lovers and crossword-puzzle enthusiasts alike.
