

## The Night of Elisa - An Illustrated Gothic Novel

More than an illustrated novel, *The Night of Elisa* is a true Art Book, packed with beautiful pencil illustrations, digital art concepts and paintings. \* \* \* Sometimes, life and love can follow the most obscure paths, just as they did for Elisa. Her life becomes a dark, cold, lonely cage the day the devil takes her as his wife. He robs her of almost everything she holds dear: her health, her wealth and what is left of her family. Trapped between the nuances of life and beyond-life, Elisa finds herself struggling for a better tomorrow. With her health deteriorating, how will she summon the courage and strength to stand her ground? And how far will she go in the pursuit of a dream? Embark with Elisa on this puzzling Gothic adventure set in the late Victorian era, between the world of the Living and the picturesque, melancholic Duskland. \* \* \* Genre: *The Night of Elisa* is first and furthestmost Victorian Gothic, but can also fit within other genres such as Dark Fantasy, Paranormal, Mystery and Occult. Parental guidance: for 16+ Contains blood, nudity and dark themes.
