

Return To The Dark Tower

Return once more to the gothic realm of Joseph Vargo and discover the passion, mystery and horror that lie in wait deep within the shadows of the Dark Tower. In the ancient catacombs beneath the Dark Tower, a slumbering evil has been awakened. Fearsome creatures born of shadow rise from the infernal depths to serve the Dark Queen as the legion of the Black Dawn. As a sacred prophecy comes to light, the fate of mankind rests upon a lone guardian who stands at the threshold between the realms of the living and the dead, an immortal knight sworn to defend the world he once knew and all he yet loves. This final book in The Dark Tower series concludes the Gothic saga of the vampire Lord Brom and his battle against the forces that lurk in the citadel of shadows known as the Dark Tower.
