

## Dashing, Daring, and Debonair: TVs Top Male Icons from the 50s, 60s, and 70s

Be they actors, comedians, singers, dancers, or talk show hosts and personalities, everyone from George Burns and Milton Berle to Jack Benny and Jackie Gleason to Sid Caesar and Caesar Romero ignited their own particular brand of man-erisms. In the process, they each inspired their audience to cheer them on whatever their guise. This book, with a foreword by Adam Batman West, will explore and celebrate the men who invented manliness and became stars in the process. It also profiles such teenage heartthrobs as Leave it to Beavers Tony Dow and The Partridge Family's David Cassidy, stars who left an indelible impression on a generation of young girls.
