

Dead Matter: A Conan Flagg Mystery

The celebrated author Ravin Gould, his equally celebrated actress wife, the media, the locals, and as many tourists as can cram themselves into Conan Flaggs bookstore are all on hand for that electric moment when Cady MacGill, the sheriffs son-in-law, threatens to cut off a vital portion of Goulds anatomy with a chain saw. Not when a covey of hotshot New York publishing executives wings into town, lured to the quiet Oregon beach resort by word of the tell-all autobiographical novel that Gould had just finished writing. A novel worth millions, which has vanished without a trace...
